THURSDAY 20

Fresh Meat Festival

With "Trailblazers," the 12th annual Fresh Meat Festival — a celebration of transgender and queer performance — is paying tribute to musicians, dancers, and theater people who hoe their own rows. This year they all do it in our own neighborhoods. The dancers, AXIS Dance Company, Barbary Coast Cloggers, Allan Frias' Mind over Matter and Sean Dorsey Dance and Las Bomberas de la Bahia couldn't be more different from each other. What they share, beyond working in the Bay Area, is a clear vision of what they want to do and the skill and perseverance to stick to it. Very simply, they have become tops in their field. To see them now in a sort of meta context of their sexual orientation, is a joyous opportunity to add another notch to their trailblazers spirit. (Rita Felciano)

Through Sat/22, 8pm, \$15–\$25
